Continuing LCSW and MFT Education Credit. Courses meet the qualification for 7 hours of continuing education credit for LMFTs, LCSWs, LPCCs, and LEPs as required by the California Board of Behavioral Sciences. Provider #PCE 128020.

Continuing Nursing Education Credit. Course is approved for 7 contact hours by the California Board of Registered Nursing. Provider #15484. \*Pharmacists registered in CA may use BRN CEs as per their governing board.

*HIV medical treatments continue to improve but depend on patient's abilities to access and remain in high-quality HIV care. This full-day symposium is designed to assist nurses and mental health clinicians better integrate HIV care and services while addressing HIV care in uncertain times.*

*The symposium will address the needs of underserved clients and populations in the third decade of HIV/AIDS and will emphasize the need for enhancing skills and referral networks to help patients cope and achieve better health outcomes by remaining in high-quality HIV care to achieve viral suppression.*

### **Symposium Goals**

- To examine the critical role of nurses and mental health providers in assisting clients access and understand changing HIV care and services
- To enhance providers' abilities to provide address uncertainty and HIV care
- To address HIV biomedical prevention, including Pre-Exposure Prophylaxis (PrEP)
- To review the latest information on HIV/AIDS and substance use disorders

### **Symposium Objectives**

At the end of the symposium, participants will be able to:

- Discuss strategies for coping with potential changes in HIV health care
- Explain the status of the Health Care Reform and other legislative challenges
- Implement stress-reducing strategies for patients and providers
- Utilize local resources and approaches to best serve patients
